

Re-opening Supplies & Resources

When sourcing any PPE (personal Protective Equipment), be sure to check with your local municipality to see whether they have a source and whether you can make bulk purchases through them.

Plexiglass Barriers/Sneeze Guards

Consider asking your local autobody mechanic, glass shop, or hardware store to create and install barriers. You might also connect with your local shop teacher or metal manufacturer. Or you could build a [DIY Sneeze Guard](#).

- American Glass in Skowhegan - <https://americanglassme.com/>
- Amazon: <https://www.amazon.com/STAUBER-Best-Sneeze-Guard-Plexiglass/dp/B086SFZSDK/>
- Acrylic barrier shields- <https://www.shoppopdisplays.com/12882/portable-clear-acrylic-u-shape-barrier-shield-ships-flat-355h-x-304w-x-1175d.html>

Hand Sanitizer

Many local distilleries are donating hand sanitizer to organizations. Check to see if you have a distillery in your area. Consider collaborating with other area libraries to make a joint ask/purchase of distilleries.

Cleaning

- Warren's Office Supplies- <https://warrenofficesupplies.com/>
- There are numerous custodial supplies vendors on the MHEC **G17** Contract** such as N.E.M.D <http://www.earthfriendlycleaning.com/> with 25% off catalog pricing
- UMO is using a more environmentally friendly cleaning/disinfection regimen with EnvirOx and PureGreen 24 to be able to disinfect surfaces once a day.
 - EnvirOx - Fresh Concentrate 118 - is available from Veritiv <https://www.veritivcorp.com/#clean>
 - PureGreen 24 is available from Envirogreen Specialists LLC (207) 797-7272. They are located in Portland, Maine. PureGreen 24 is apparently hard to get in small quantities (32oz sprays) and that gallon quantities are easier to get. It looked as if Envirogreen also had Fresh Concentrate 118 on their FB page.

Gloves

- Local hardware stores
- Amazon
- Beauty supply stores such as Sally's
- Sam's Nail Supply <https://samnailsupply.com/>

Masks
